Product Information

Tough and robust 90 litre open top plastic litter bin with reinforced galvanised framework. Every unit in the Maelor range is manufactured in part from recycled materials.

Features

- Galvanised frame as standard
- Steel frame supplied with base plate and fixing holes
- One piece "lock-on" lightweight cover
- Cover made from recyclable material
- Chamfered edges ensure rubbish is directed into the liner with no overspill between liner and outer case
- Removal of outer case and liner allows cleaning of area beneath and around location of the bin
- Black as standard, other colours available at additional cost
- To empty lift the lightweight cover over the frame using the maelor key provided

Materials Used

- HDPE
