Product Information

Clear View PET panels allow for the visibility of cycles reducing the risk of theft. End panels are also available with personalised logos. A more traditional and industrial style of the shelter the Premier Senior Economy Cycle Shelter is a simple solution to cycle storage. The shelter is constructed of tough square section components and has fixed base plates for bolting down securely to a level concrete surface.

Features

- Cyclist safety is enhanced due to the ClearView PET panels, reducing the risk of cycle theft and loitering. This shelter is highly recommended where CCTV operates, offering extra protection to junior cyclists
