## Product Information

The Aquinas is a contemporary canopy, which demonstrates a fresh modern aesthetic. Suited to any modern environment, the Aquinas is a multi-functional covering available in a range of colours. This attractive bespoke monopitch canopy incorporates a discreet central leg and removes the appearance of uprights supporting the canopy.

The toughened glass planar roof provides clean lines and overall style, creating a contemporary looking structure.

## Features

- Mild steel structural framework
- Galvanized and powder coated finish
- Stainless steel grade 316 glazing spiders
- 10mm toughened glazed roof. Specialist glass-sealed joints between each panel
- Aesthetically pleasing simple design
- Welded end frames and purlin section made from heavy duty box section
- Assembled with anti-tamper high strength bolts
- Hot dipped galvanized to BS EN ISO 1461:2009

## Materials Used

- Framework - Mild steel
- Cladding - Toughened Laminated Glass

## Finish Options (Framework)

- Galvanised to BS EN ISO 1461:2009
- Galvanised to BS EN ISO 1461:2009 & Polyester Powder Coated
