Product Information

The Newcastle Symmetric Walkway is ideal for areas of heavy pedestrian traffic where a wider roof span may be required.

The width, height and column spacing's can all be adapted to suit the existing surroundings. Also available in asymmetric, monopitch or duo-pitch designs, the Newcastle Walkway can also accommodate side panels to form a partially or a fully enclosed walkway.

Features

- Available in many sizes / orientations
- Modular extension to any length
- Multiwall Polycarbonate roof cladding
- Submerged fixing
- Robust, tough construction
