Product Information

The Big Mouth Target Bin has a 140-litre capacity and is designed for locations such as truck stops, laybys, service stations and drive-thru restaurants so motorists can dispose of their waste without having to leave the vehicle. The bin features a target vinyl at the back of the aperture hood for drivers to aim at when depositing their rubbish from their vehicle.

Features

- 2mm galvanised steel
- 4mm galvanised steel base
- Curved top design
- 1 large front target aperture
- Vinyl target symbol on the back of the inside hood
- Vinyl litter text to the front complete with direction arrows
- Steel slam lock mechanism
- 10mm heavy duty stainless steel pivot hinge
- Rear opening door as standard
- Hexagonal key operated heavy duty lock
- Coated with Broxap's advanced, eco-friendly PROTEX primer and top coat powder coating system to external surfaces.
- PROTEX employs a nano-coating pre-treatment and achieves BS EN 13438:2013 compliance for superior levels of corrosion protection.

Materials Used

- 2mm galvanised steel
